Andrew: this looks amazing
Andrew: the graphics are unbelievable
me: la noire, eh...
me: dude
me: you're never going to buy it
me: unless you change your ways
me: get back to your gaming roots
Andrew: which entails?
me: playing games
me: instead of not playing them
me: !
me: how about this
me: new Dwarf Fortress will be out soon
me: actually
me: just get on steam
me: buy Fallout NEw Vegas
me: play it
me: fate will do the rest
Andrew: OMG! Did they add new characters? I think the game woudl benefit from a & or ~
me: shut up faggot
Andrew: I cant play fallout
Andrew: no PC
me: you know they have tilsets
me: then DF
Andrew: I havent owned a PC in nearly a decade
me: or, more to the point, liberal crime squad
me: the game that trained me to help run Anon
me: see NPR interview upcoming
Andrew: you should change the name then
me: and Bloomberg cover story
me: conference call with 60 Minutes tomorrow
me: and when I finish this film treatment
me: I'm going to get a gaming rig
me: and I'm going to move in next to you
me: and I'm going to wake up in the morning every day

Andrew: and? AND?
me: and be like, "Oh, off to work? Feel free to stop by later and I'll let you play Skyrim on my projector/PC combo"
me: you heard what I said
Andrew: so let me get this straight
me: We've got industrial source for projectors
me: oh
me: Minecraft
me: on projector
Andrew: your revenge will involve letting me play an awesome gaming rig whenever I'm off work?
Andrew: sweet
me: going to download the various CPUs in game
Andrew: can't wait
me: 'it's not so much revenge
me: as it is me trying to fulfill my years-long goal of getting you to stop being a yuppie who doesnn't game
me: non-gamers will be first up against the wall come the revolution
me: I CAN PROTECT YOU!
me: I'll hide you in my gaming attic
me: I know you're not all bad
me: you people
me: but yeag
Andrew: your gaming rig is in your attic, right?
me: everyone who can't go down three floors on Nethack will be off to Bed Stuy ghetto
Andrew: I can go down 3 floors in nethack
me: it will be in a fucking compound in Brooklyn
me: no you can't
me: I've heard talk
me: also tell Dave to call me back
Andrew: are you going to LA or something?
me: not yet
me: a bit later
Andrew: elaborate
